ABOUT THE UNIVERSITY

Chaudhary Charan Singh University (formerly, Meerut University) was established in 1965, to cater the needs of higher education in society. The University celebrated its silver jubilee in 1991. Presently, it is one of the premier educational institutions of the country encompassing a vast, beautiful and pollution-free campus which sprawls over 222 acres of land. The university is functioning with the vision to produce such professionals who may have global competence, vision and skills as are necessary to meet the challenges of emerging global knowledge economy, by the power of innovation, creativity and efficient learning ability. The mission of the university is to emerge among the top ten university in India within next ten years through defining , implementing and operating dynamic-academic,administrative and functional processes, for optimal use of available resources.

ABOUT THE DEPARTMENTS

The Department of Education had its inception in 1970. It was the only department in India that introduced M.Phil. Education Programme for the first time in 1970. This was followed by introduction of M.Ed. programme in the year 1974. Along with these courses, the department also offers Ph.D. programme in Education. The department has also been granted the status of Centre of Excellence by Government of Uttar Pradesh in 2016. The department has constantly focused upon to produce competent, committed and responsible teacher educators and quality researchers. The department has also taken lead to produce innovative and quality researches. The major thrust areas of research in the department are teacher education, educational technology, educational psychology, and curriculum studies.

The Dept. of Physical Education is committed to excellence in teaching, research and community service in the fields of Physical Education and Sports by Providing quality education and Congenial Environment to students and staffs. The aim of the department is to prepare ideal Physical Education Teacher trained in practical skills, Philosophically based reasoning, hypothesis formation , reading of research findings, so that they are competent and versatile in dealing with future demands of the society.

ABOUT THE SEMINAR

The National Education Policy recognises and identifies teachers and faculty as the heart of the learning process. As envisioned by Hon'ble Prime Minister Shri Narendra Modi ji, the Policy will empower teachers of India and lists out various reforms for their recruitment, continuous professional development, service conditions, etc. NEP 2020 recognises that teachers will require training in high-quality content as well as pedagogy. By 2030, teacher education will gradually be moved into multidisciplinary colleges and universities. The minimum degree qualification for our teachers will be a 4-year integrated B.Ed. degree that teaches a range of knowledge content and pedagogy. Teachers will be given continuous opportunities for self-improvement and to learn the latest innovations and advances in their professions. These will be offered in multiple modes, including in the form of local, regional, State, National, and international workshops as well as online teacher development modules. Each teacher will be expected to participate in at least 50 hours of CPD opportunities every year for their own professional development, driven by their own interests. CPD opportunities will, in particular, systematically cover the latest pedagogies regarding foundational literacy and numeracy, formative and adaptive assessment of learning outcomes, etc.

The Department of Education and Physical Education are proud to organize the National Seminar on **“Teacher Education in the Light of NEP 2020”** on 26th March, 2022. All delegates/scholars/students are cordially invited to participate in this National Seminar.

Sub-themes :

- 1. Envisioning the Role of NCTE as a Professional Standards Setting Body**
- 2. Attracting the Best Talent for the Teaching Profession**
- 3. Developing Multidisciplinary Teacher Education Institutions**
- 4. Strengthening Linkages between Schools and Teacher Education Institutions**
- 5. Promoting Continuing Professional Development of Teacher Educators**
- 6. Innovative Approaches in Teacher Education**
