Facilities

Equipment

University equipment are maintained in departmental facilities managed by different faculty members. Departmental committees in various departments consider the purchase and recommend the annual maintenance contracts besides recommendation for purchase of consumables. Faculty member in charge in each department organises the utilisation and its availability to other departments and affiliated colleges as per requirement.

Library

There were 1.25 Lac books, 10 thousand reference books, 30 lacs e-books, 294 journals with 40 computers in one computer lab and 2 browsing centres. This year technology was upgraded and new CD's were added as a resource.

Computer and Technology

Over 100 computers were added to various departments. Campus became Wi-Fi enabled, literacy training programmes were conducted by the IQAC and library for optimum use of e-resources.

Green initiative

Green initiative started like exhaustive plantation of trees. Replacing traditional bulbs with tube lights and conserving water resources wherever possible.

Research

Dedicated botanical garden and agriculture field were maintained for research purposes under auspices of relevant ministries of GOI. Animal house was constructed in this year under the guidelines of Ministry of Environment and Forest (under CPCSEA guidelines). A medicinal garden was also
