CERTIFICATE

This is to certify that Chaudhary Charan Singh university, Meerut (U.P.) has conducted detailed "Energy Audit" for its campus during academic year 2021-22. The Energy audit was conducted in accordance with the applicable standards prescribed by Bureau of Energy Efficiency, Government of India, Ministry of Power. The audit methodology involved Discussions with the concerned officials for identification of major areas of focus and other related systems. A team of engineers collected data and information on the operations and Load Distribution within the campus. The data was analyzed to arrive at a base line energy consumption pattern. Measurements and monitoring with the help of appropriate instruments including continuous and time-lapse recording, as appropriate and visual observations were made to identify the energy usage pattern and losses in the system. Computation and in-depth analysis of the collected data, including utilization of computerized analysis and other techniques as appropriate were done to draw inferences and to evolve suitable energy conservation plan for improvements reduction in specific energy consumption.

Energy Audit helps to understand more about the way energy is used in any Establishment and helps in identifying areas where waste may occur and scope for improvement exists. It was with this objective that Wire consultancy was entrusted with the job of conducting Energy Audit of Chaudhary Charan Singh university, Meerut (U.P.).

For WIRE CONSULTANCY
